Statement of Ownership, Management and Circulation
(*Required by 39 U.S.C. 3685*)

1. Title of publication: Journal of Research in Science Teaching
2. Date of filing: 15 September 1982
3. Frequency of publication: Nine times yearly
   A. Number of issues published annually: nine
   B. Annual subscription price: $68.00
4. Complete mailing address of known office of publication: John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158
5. Complete mailing address of the headquarters or general business offices of the publishers: John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158
6. Publisher: John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158
   Editor: James A. Shymansky, Science Education Center, University of Iowa, Iowa City, IA 52242
   Managing Editor: None
7. Owner: National Association for Research in Science Teaching, Drake University, Des Moines, IA 50311
8. Known bondholders, mortgagees, and other security holders owning or holding one percent or more of the total amount of bonds, mortgages, or other securities: None
10. Extent and nature of circulation

	Average number of copies of each issue during preceding 12 months	Actual number of copies of single issue published nearest to filing date
A. Total number of copies printed	2222	1900
B. Paid circulation		
1. Sales through dealers and carriers, street vendors and counter sales	none	none
2. Mail subscriptions	1831	1769
C. Total paid circulation	1831	1769
D. Free distribution by mail, carrier or other means, samples, complimentary, and other free copies	41	41
E. Total distribution	1872	1810
F. Copies not distributed		
1. Office use, left over, unaccounted, spoiled after printing	350	90
2. Returns from news agents	none	none
G. Total	2222	1900
